

License Number

Yearly Business License

Bylaw 9-81 - section (3) in conjunction with section 1 (d)

BUSINESS LICENSE ISSUED TO:

Like any other government, this business license is to prove that the holder has valid and **LEGAL** authorization and permission from the First Nation Council to conduct business within the boundaries of the reserve and to pay the First Nation Council a fee for profiting and doing “pay for service” work on the reserve. This is a standard license fee of a contractor with any building trade, particularly but not limited to electricians, plumbers, carpenters, masons, painters, floor covering installers, drywall, or installer of specialized equipment.
